

Dear Friend,

I wanted to share with you some information about a committee I am on and why I am passionate about serving on this committee to support CASA Child Advocates of Montgomery County.

About 6 children enter foster care in Montgomery County every week. **CASA Child Advocates of Montgomery County is committed to providing every single one of these deserving children an Advocate to be by their side.** In 2021, 291 CASA Advocates served 596 children right here in our community.

I have decided to serve on the CASA Spring Fundraising Committee for their 2022 Gala because I know what a difference CASA can make in the lives of these children. We are starting to plan for our largest fundraiser of the year, which is scheduled for March 5, 2022 at Margaritaville Resort on Lake Conroe. This event raises the funds that make it possible for CASA Child Advocates to continue providing an Advocate for every child who enters the foster care system in Montgomery County.

Our committee is asking for donations for our silent and live auctions and would love for your business to participate. With your early commitment, we guarantee recognition in print and promotional media, including the event program.

We are particularly proud to be a part of this community, and doing what we can to better advocate for the abused and neglected children in Montgomery County. Please let us know how we can best partner with you on this!

Together we can make a difference in the lives of children whose future is uncertain and help provide them the opportunity to thrive in a safe, nurturing, permanent family. CASA is a 501(c)(3) organization. Federal Tax Identification # 76-0333595. Thank you for considering our request.
