Dear New Member:

Welcome to the CASA Young Professionals group of Montgomery County! We are so excited and passionate about the work that this group will do. As we reinvigorate this group, our focus will be **volunteerism, community awareness, and professional development** – all while helping CASA to grow and thrive in Montgomery County. As a member of this group, your annual dues go directly to CASA to support their day to day work. It costs \$1,500 to provide a child in foster care with an Advocate for one year. With more than 25 active members, CASA Young Professionals' combined membership dues will cover 1 year of advocacy for an abused or neglected child.

Our committee has been hard at work to plan many exciting events and programming that will positively impact you as a professional and our community overall. In this welcome packet, you will find our calendar of events, along with the membership requirements that outline the hours of community service we ask you to donate to CASA over the next year. Along with community outreach, our monthly events will also include speakers from various industries and backgrounds. As we continue to build our events, we will look to you to provide feedback on topics and speakers that meet your interests and professional growth needs.

Our main source of communication around events and volunteer opportunities will be via email – so please make sure to keep us updated with any changes. The CASA Young Professionals also has a Facebook group where we will stay in touch and share opportunities to get involved. Please take a moment to join the group and introduce yourself virtually!

We look forward to connecting and building a relationship with you at our next event on **April 28<sup>th</sup> to hear James Pung, CEO of EnerCorp, that will be hosted at CASA's headquarters.** Address and time are listed below. James will be speaking about his involvement and relationship with CASA, as well as his career growth. Please do not hesitate to reach out with any questions before hand. Again, Welcome! You have already made a significant investment to impact our community and we are excited to see it grow.

**Next Meeting:** April 28, 2022 at 6:00pm  
James Pung, CEO of EnerCorp  
CASA Child Advocates of Montgomery County Office  
505 N. Main Street  
Conroe, TX 77301

Warm Regards,

CASA Young Professionals Executive Committee
